Collection Authority

This Census is taken under the authority of the Statistics Act 2016. Filling in Census forms is required by law. Your cooperation is sought in completing this form.

Confidentiality

Under the Statistics Act 2016, the Statistics Office must not release any information you provide in a way which would enable an individual's or household's data to be identified.

Why a Census?

The Census is the only practical way to get information on how many people there are in the Cook Islands, what they do, and how they live.

Census information is needed for planning vital services such as education, health, transport and general infrastructure.
